BEER

	ABV	Oz	Price
<u>Ditzy Blonde Ale</u> Smooth and light, this refreshing blonde ale carries craft characteristics without taking herself too seriously.	5.2%	8/16	3/6
<u>Bohemian Night</u> An old world style beer not often found in the United States. This Czech Dark Lager is dark in color but deceptively easy to drink.	4.7%	8/16	3/6
<u>The Madison Marzen</u> This isn't your traditional Marzen, it's his older brother. Big and packed with flavor. Tasting notes of bread and caramel. Pairs perfectly with Polka! Prost!	7%	8/16	3.5/7
<u>Summer Fling</u> Our second attempt on a craft "domestic" American Lager. Light in body and color this beer is a sure to quench your thirst.	5.2%	8/16	3/6
<u>Upside Brown</u> A dark brown, medium bodied beer brewed with roasted grains and aged on locally roasted coffee beans from Café Santa Rosa.	5.7%	8/16	4/7
<u>Jeff's Pale Ale</u> In a day where everyone wants a juiced up IPA we wanted to go old school with this pale ale. Piney with just enough malt to back it up.	5.8%	8/16	3/6
<u>Magical Unicorn Elixir</u> A hazy New England style IPA brewed with Citra and Mosaic hops. Bright tropical fruit flavors are the result of a ridiculous amount of hops. A silky smooth mouthfeel, and low bitterness help this beer shine.	6.7%	8/16	3.5/7
<u>Fuzzy Slippers</u> This full bodied milk stout is sure to keep you warm like your favorite pair of fuzzy slippers. Aged on a ton of real chocolate nibs and vanilla beans. <u>Not available in crowlers/growlers.</u>	9.7%	8	5
<u>Visual Distortion - Blueberry & Boysenberry</u> This time we've infused real blueberries and boysenberries to bring you this vibrantly purple beer. The natural sweetness of these fruits help balance the tartness of our kettle sour. Contains lactose.	5.4%	8/16	3.5/7
<u>Cold Rush</u> A Cold IPA is a hybrid between the fruity and floral notes of a hazy IPA and the bitterness of a west coast IPA. Packed with flavor this cold IPA is truly the best of both worlds.	6.5%	8/16	3.5/7
